Advanced mapping

Country pulse

Six indicators, one dashboard. Independent units and definitions; no combined country score.

6 indicators visible | Fictional demonstration

Demo snapshot: 29 Oct 2026

Overview | Trends | Compare | Data & sources

Country A + 2 peers | 6 selected indicators | 2020–2024 | Source: Demo dataset

GDP per capita	Consumer price inflation	Unemployment	FDI income	Antenatal iron coverage	Internet use
$5,200	3.9%	7.6%	2.2%	89.0%	76.0%
+$270 vs 2023	-1.2 pp vs 2023	-0.5 pp vs 2023	+0.3 pp vs 2023	+4.5 pp vs 2023	+6.0 pp vs 2023
2024 • Demo dataset	2024 • Demo dataset	2024 • Demo dataset	2024 • Demo dataset	2024 • Demo dataset	2024 • Demo dataset

GDP per capita

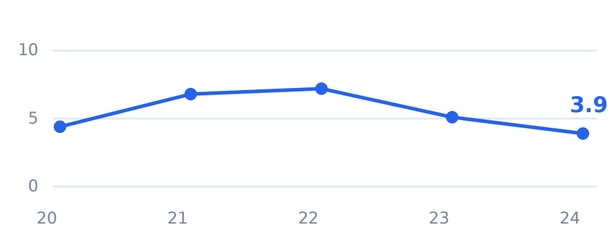

USD per person • Country A

2020–2024 • Demo dataset • fictional series

Consumer price inflation

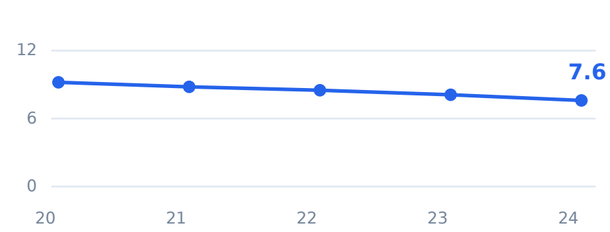

% per year • Country A

2020–2024 • Demo dataset • fictional series

Unemployment

% of labour force • Country A

2020–2024 • Demo dataset • fictional series

FDI income

% of GDP • Country A

2020–2024 • Demo dataset • fictional series

Antenatal iron coverage

% of subgroup • Country A

2020–2024 • Demo dataset • fictional series

Internet use

% of population • Country A

2020–2024 • Demo dataset • fictional series

Illustrative values only: fictional countries, not World Bank, OECD or IMF statistics. Each indicator retains its own definition, unit and source.

Compare countries across indicators

Six indicators, one dashboard. Independent units and definitions; no combined country score.

Indicator comparison matrix

Same reference year: 2024 • all values fictional • compare within a row, not across units

Indicator	Unit / denominator	Country A	Country B	Country C
GDP per capita	USD per person	**$5,200**	**$6,100**	**$4,500**
Consumer price inflation	% per year	**3.9%**	**5.2%**	**2.7%**
Unemployment	% of labour force	**7.6%**	**6.4%**	**9.2%**
FDI income	% of GDP	**2.2%**	**1.5%**	**2.8%**
Antenatal iron coverage	% of subgroup	**89.0%**	**82.0%**	**94.0%**
Internet use	% of population	**76.0%**	**83.0%**	**68.0%**

GDP per capita

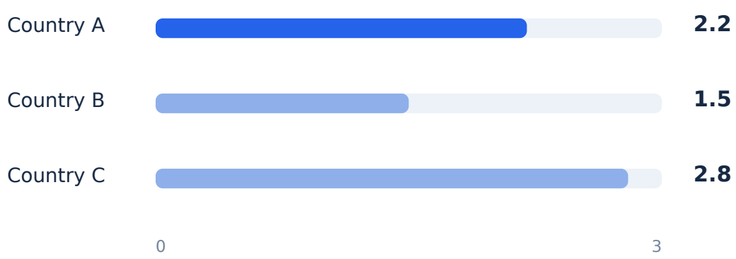

USD per person • 2024

GDP per capita, current USD (demo)

FDI income

% of GDP • 2024

FDI income receipts / GDP; not FDI inflows

Antenatal iron coverage

% of subgroup • 2024

Women with a birth in preceding 2 years

Illustrative values only: fictional countries, not World Bank, OECD or IMF statistics. Each indicator retains its own definition, unit and source.
